when no one is looking.”***

PRODUCT CATALOGUE 2022

Dynamic®

Best Bounding with Brass

Company Profile

It gives us immense pleasure and pride presenting this Catalogue and to introduce ourselves as leading manufacturer of Builders Hardware fittings since 1988 in manufacturing exclusive quality products. With our huge experience introducing our new Exclusive brand DYNAMIC. We have a Exclusive range of Hinges, Brass Tower Bolts & Fittings.

We have all the latest technologies for manufacturing our products from scrap and finishing it to final product. Our production line consist of casting, machining, polishing, plating, and packing. Each department has its own quality control personnel, who is always on his heels, testing each and every batch for quality consistency. We are having a very experienced skilled technical staff, who lead our workforce to achieve perfection at every stage.

We also take care of pollution control. In our manufacturing process there are no such by-products or residue which could harm the ecology of the environment. Safety and well-being of our workmen is also a prime subject of our set-up and is taken care of very properly.

Innovation and R&D are non-ending activity at our end. Our products match to the inter-national standards of best workmanship, finish, and packing. We are confident enough that we can cater world over to the almost all the requirements in Brass & Steel Hardware and Brass Parts

Term & Conditions :

1. Applicable taxes will be charged extra.
2. Discount on product rate (except fix rate products) will charge as per scrap rate mentioned below
500=510 511=520 521=530 531=540 541=550
3. Rates will charge of selected fix rate products in this price list as per scrap rate up/down.
4. Payment promptly against despatch delivery.
5. Goods once sold will not be taken back in any circumstances.
6. Disputes subject to Jamnagar Jurisdictions.

Advantages of Duck Hinges

No Need of Door Chain

No Broken Laminate Edges

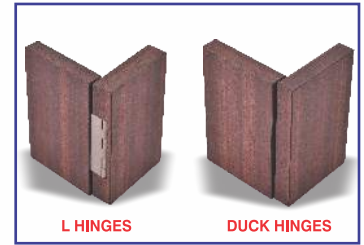

Laminate Cover Full Hinges

Simultaneously Open 2 Shutters

Difference Between L Hinges & Duck Hinges Demo

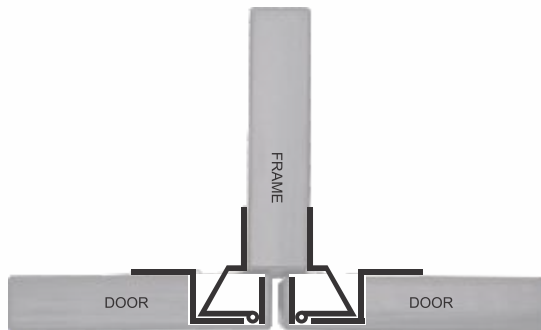

L HINGES

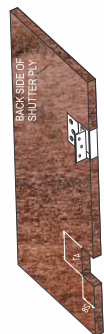

DUCK HINGES

INSTALLATION :

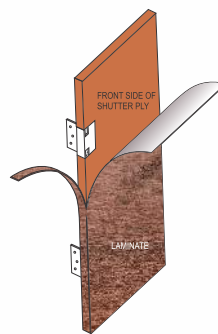

19 MM HALF OVERLAY HINGE

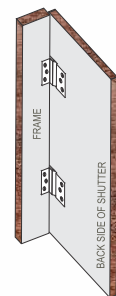

19 MM FULL OVERLAY HINGE

Mark & Make a slot 47x28 for 45mm Hinge, 77x28 for 75mm Hinge, 102x28 for 100 mm Hinge & Fix the Hinge in slot on Back side of Shutter Ply.

After Fixing the Hinge Paste the Laminate on Front and all Four Edges of Shutter Ply along with Prefixed Hinges.

Fix other Flap of Hinge on Frame.
