Dear Sir/ Madam,

TO WHOM MAY SO EVER IT MAY CONCERN

Sub: Regarding installation of racks with peg rack.

We at nandi compu world are resellers and wholesalers of computer parts and opted for don racks for our storage and display solution. We are so happy that the delivery time as stipulated and the packing and delivery was also very good, we received very good people especially regular follow up and status of material ordered from Mr. Jagu appreciate for that work, there was some damage in one rack while on transportation replaced the defective rack.

I am completely satisfied with the service provided by don racks. I am recommending customers to opt for in case of need.
